Join the Grotnes Service and Spares Club and keep your equipment running smoothly, efficiently, and safely. Our highly trained, experienced service team is dedicated to minimizing unplanned downtime, boosting production quality, and improving operational efficiency. At Grotnes, we understand that investing in our equipment is an investment in your success, and we're here to support that investment every step of the way. Through proper training and education, we empower your team to operate equipment safely and effectively. Join today to extend the life of your equipment, enhance safety, improve reliability, and maximize performance. Don't wait for issues to arise—be proactive with your maintenance!

Discounts can be used for replacement parts, travel expenses, inspections, preventative maintenance, repairs, part replacements and troubleshooting diagnostics. Discounts are not valid on project or contract-based work such as new machine installs. Discounts are not applicable for shipping or freight costs. Prices for annual memberships will automatically renew each year.

Prices are subject to change. Check our website at www.grotnes.com for up-to-date prices.
