Notes:

- * PLEASE PROVIDE US THE BELOW INFORMATION SO THAT WE CAN DETERMINE THE PROPER ITEM #
 - BASE MAT'L (ALUMINUM, STEEL OR BRASS)
 - TOOL SIZE & LUG (11.25-16 LUG ETC.)

Use this page as a reference when needing to order a base or post for your closing tool.

- Posts are permanently fixed into the base at assembly using a process known as "peening".
- We STRONGLY urge that when ordering either a post or a base, that you order them together.
- We cannot guarantee proper function of your tool if ordered separately.
